

# Juniata Valley Football League

League Meeting Minutes, 27 September 2004 at 8:30pm, Terrace Community Building

## OLD ISSUES :

Reminded the Coach's for Midget Football, Line backers must be at a 3 yard drop until the ball is put in play (snapped), before a blitz may be executed. Also, any lineman between the Tackles, must be at a down position, either a 3 or 4 point stance. Penalties for this infraction will be enforced by a warning for the first, second will be a 5 yard penalty for illegal participation. Selling of the blitz prior to the snap will also be considered an illegal formation.

JVFL game weigh-ins will not be conducted with digital scales. All scales will be opened faced and calibrated with the 10 lb plate the League has issued. The League will talk about furnishing teams with new scales for the 2005 season to have unity with all Organizations.

Coach's were reminded of the discipline for being ejected from League games. The ruling is a automatic suspension from the ensuing game, \$50 fine and further discipline from the League could accrue.

Motion by the offense was discussed with a motion back blocking outside the free block zone. This is considered to be an illegal if it is a crack block and done below the waist.

A vote was taken by the League, the "Pole-Cat" formation for offense is considered to be a illegal play in our League by a vote of 12-5.

For punt coverage, only 3 players may release after the ball has been snapped, the 2 hammers and the center.

Wildcard Playoff Games have been eliminated for the 2004 season by vote of the League Officer's. The reason being of the amount of League Regular Season Games that have to be made up from extraordinary weather this season.

Not present for League Meeting : Lewitown - M & PW, Terrace - PW

Outstanding League Fines : Lewistown - \$200, Huntingdon - \$200, Derry Decatur - \$100 (No by-law's), Terrace \$100, Stone Valley - \$100, East Juniata - \$100.
